Extract from letter

We have had a grand meeting of friends of the Mass Soc & got a good deal of business done, the weekly contribution plan started the monthly concert reestablished & a meeting of the Boston Soc called to act on petitions — it was a meeting of the good old stamp — none but the faithful called together by private notice. —— Edmond took a back. Dr Farnsworth was present. Francis Jackson in the Chair — We all spoke as the spirit moved. It was informal & unembarrassing. Dr Farnsworth will attend our next meeting of the B. F. A. S.
